THE TIDES IN LIFE  
THEY COME AND GO  
JUST AS THE WAVES  
BEAT TO AND FRO  
TO EACH OF US  
EHS HAS MEANT A LOT  
REALLY MORE  
THAN WE HAD THOUGHT

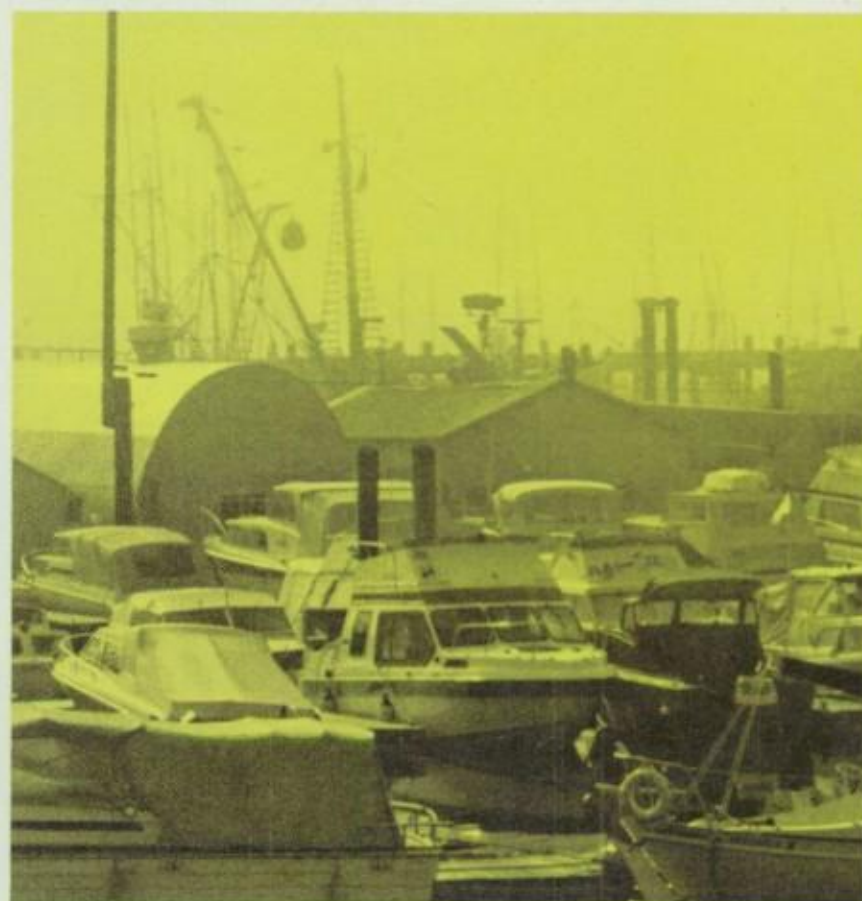

The seashore has often  
 Many snags and rocks  
 And also many gulls  
 In great flocks  
 If you are looking  
 For some goal to reach  
 Reach for a star  
 Strive to go far

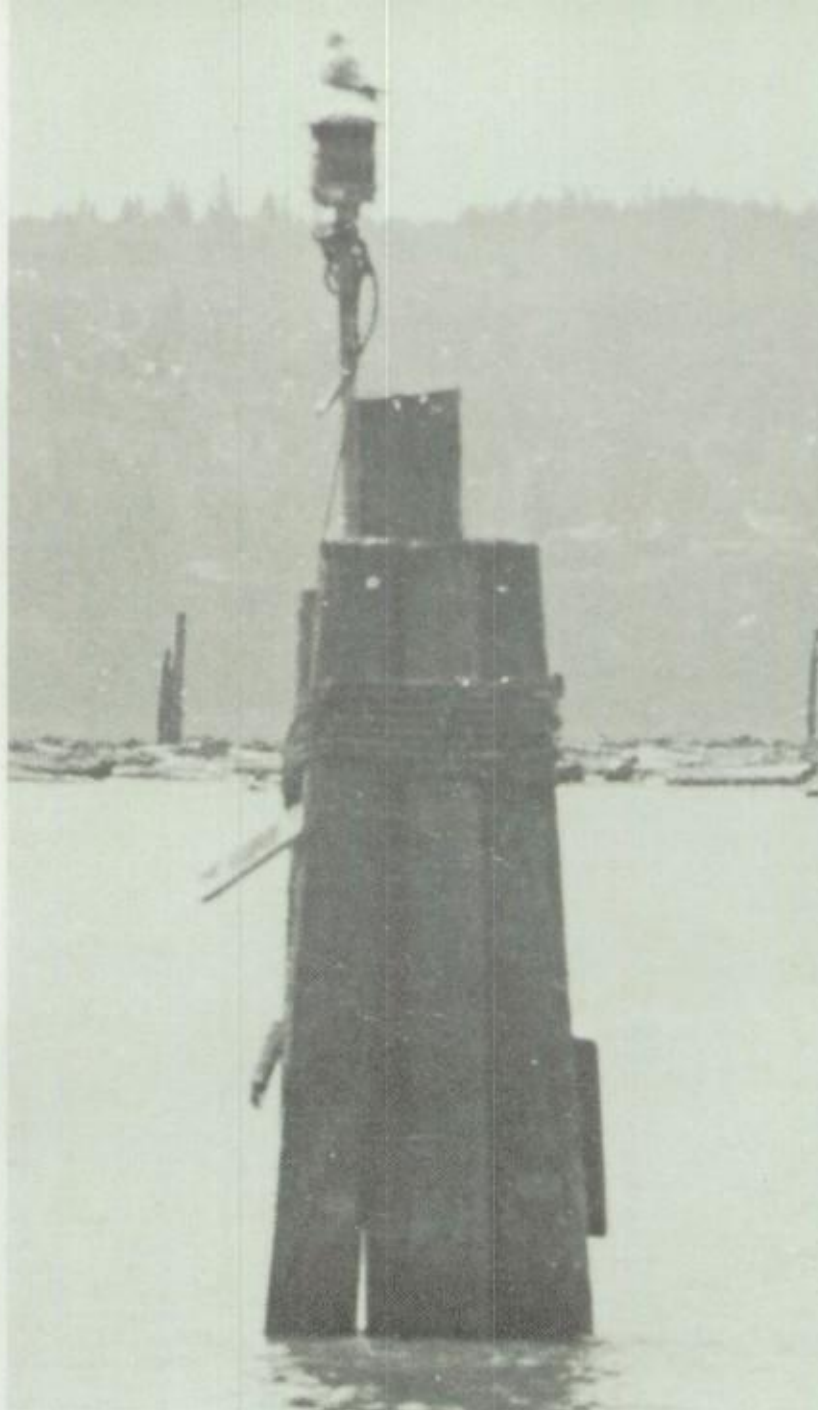

We know only once we'll  
Sail this ocean we've found  
And these calm waves may  
Even beat and bound  
But having been here will  
Make us have a better light  
As we sway here and there  
And sail off into the night

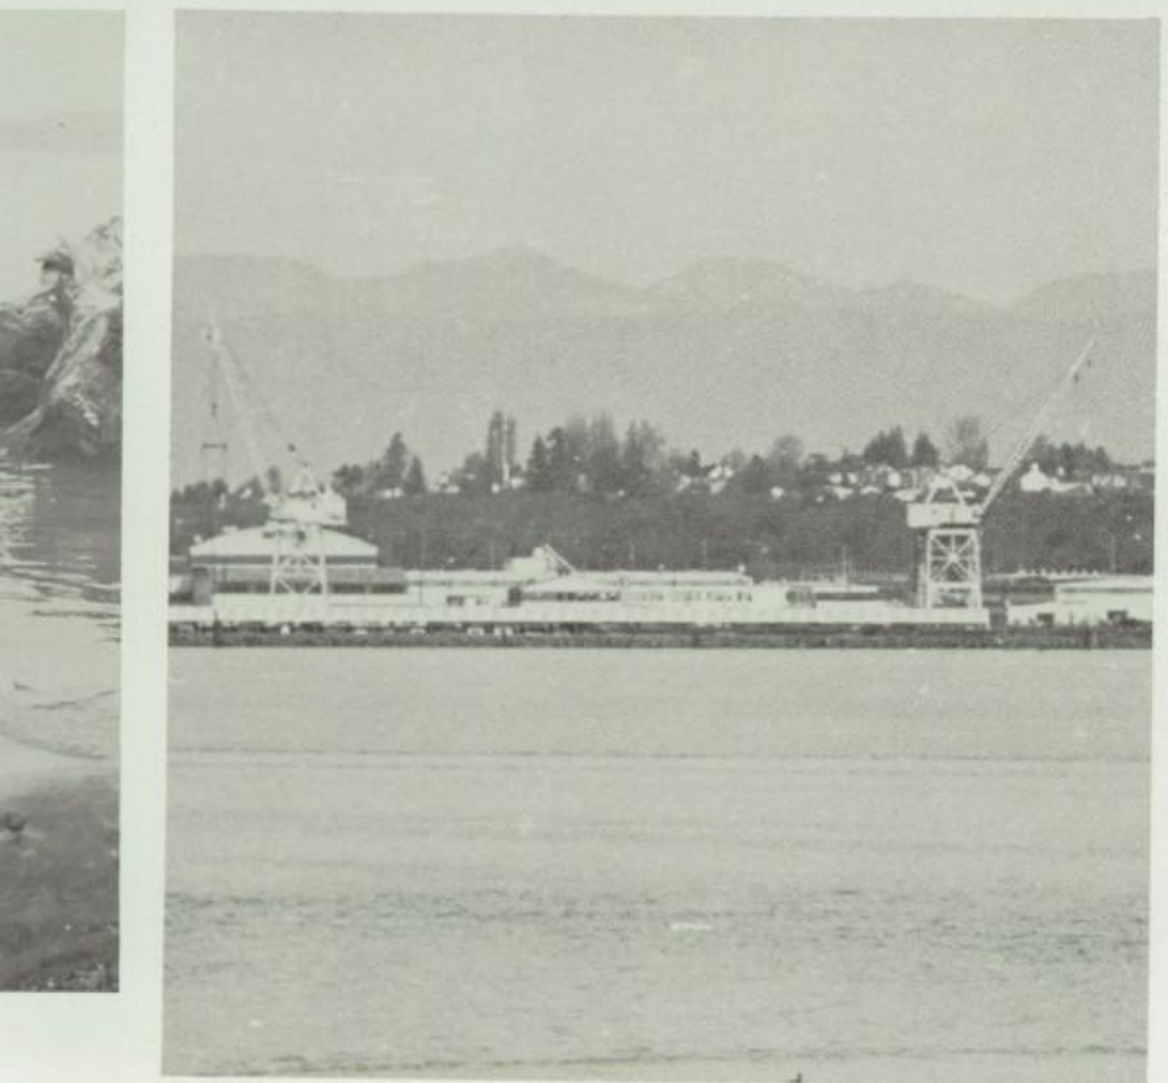

AS I WATCHED THE WAVES  
BEATING TO AND FRO  
I GOT THIS WONDERFUL FEELING  
A FEELING THAT WAS TO GLOW  
I WAS THINKING OF A TIME  
A TIME WHEN I WAS A GULL  
AND ALL THE GREAT TIMES WE  
SHARED THEN I BEGAN TO REALIZE  
THAT I HAD REACHED MY GOAL.

THIS SHIP HAS NOW  
 REACHED ITS PORT  
 WITH ITS CARGO  
 OF ALL KINDS OF SORT  
 SOME WILL GO EAST  
 SOME WILL GO WEST  
 OUR JOURNEY OF LIFE  
 WILL SOON MEET ITS TEST.

The girls getting a good start. 4. Debbie Shield competes in a cross country meet which involves running a course which is not limited to the formal track only, but the parking lot as well.

Everett boy's cross country team has shown excellent individual performances. The varsity team is composed of five juniors, and one sophomore. With a record of two wins and three losses, they have been very competitive, losing only one meet by more than 10 points. Sophomore, Bruce Overstreet has been placing high regularly. On our course, he tied the school record and in a later meet improved his time by 10 seconds. Junior, Paul McKee, team captain, is developing into an excellent runner. In his last meet, he took off eleven seconds from the course record. Paul and Bruce, along with Tony Padilla, Ken Stave,

Thad Trepanier, and Mike Rider should continue to keep Everett in contention for a top position in the district meet. The boy's placed 5th in district.

This was the first year that Everett High had a girls cross country team. It was led by freshman runner, Eunice O'Neil. Debbie Shield, a sophomore was the number two runner. They had a good season for first year team but they didn't place in district. Coach Jackson hopes that next season will be better because of the experience of this years team.

The girl's tennis team had a good season this year. They were coached by Miss Delores Sutherland, who has coached tennis here for 14 years. The captain this year was Kathy Eitner. The record for the season was a 10-4 win-loss. The team came in 3rd place in the league at 8-2. The scores for the season is as follows:

# Girl's Volleyball

The Everett High girl's volleyball team had an exciting season, with a lot of young players gaining game experience. Only two members of this years squad were returning varsity players, co-captains Kathy Dahl and Meg Metzger. Kathy will be the only player not returning next season. The girls were tough contenders with every team they played and were involved with Cascade and Mariner High Schools in a play-off for a district birth.

One of the more remarkable characteristics of the 1977 Everett High Seagulls football team was the exceptionally high caliber of senior leadership and performance. All nineteen seniors on the team, lead by tri-captains Jeff Hutt, Scott McKay and Craig Smith were as fine a group of leaders as ever played for the Seagulls. These young men will be surely missed but never forgotten in the years to come. Throughout the season, defense proved to be the strength as Gulls while the offensive effort—green as grass early in the season—improved from week to week. The kicking game featuring Chuck Nelson's booming kicks had to be among the best in the state. The young Seagulls of '77—the juniors, sophomores, and freshmen—give EHS fans reason for optimism in the seasons to come, especially if these young men continue to perform up to the standards of excellence as set by the Seniors of the 1977 Seagull Football Team!

This year, because of the absence of a sophomore football team, the Junior Varsity team was made up of many Sophomores and Juniors, making it the youngest J.V. team in the conference. In every game, they went out and played against teams made up of people who had greater experience than themselves. Even though the win/loss record may not be impressive, the experiences that they gained and the enthusiasm in which they played every game was very impressive.

Next year, because of the absence of the many Seniors on the Varsity team, some of these J.V. players will step into starting roles on Varsity. If the experiences that they have acquired this year have taught them something, and if they play football with the same enthusiasm as they played this year, next year may be an exciting year for Everett High Football.

"Look to the rainbow" was the theme of this year's homecoming coronation. The students entered the auditorium as the choir sang "Finians Rainbow". The ten candidates and escorts were then introduced one by one. The five girls of the honor court were then presented to the student body and escorted to their places. Next the four princesses, Julie Anderson, Leslie Crane, Jeanie Agnew, and Julie Johnson, were introduced.

As the choir sang "Sweetheart of Everett High" Connie Knudson was announced as the 1977 Homecoming Queen!

During Homecoming Week Connie reigned over many activities. The weeks festivities were brought to a close with the traditional ride on the float during the Homecoming game.

# Homecoming . . . An Assembly Of

This year's homecoming showed that Everett High's spirit was #1. The displays were very original and imaginative. The seniors won first prize for their display, with the slogan, 'Keg the Panthers'.

The assembly showed much spirit from the faculty as they performed skits, which depicted various Hollywood TV shows, commercials, and celebrities.

The parade formed in front of the school, proceeding down Colby to the stadium, then, a bonfire, which helped arouse the students' spirit just before the game.

E.H.S. played a good game against the Snohomish Panthers, unfortunately, we drew the defending state champions, which were rated #1 in the state at the time of our game. Although Everett played an outstanding game, holding the Panthers to 14 points at the half, the panthers were victorious. Everett's team showed great pride and courage, but just couldn't beat the Panthers.

The drama department's selection for the fall production was "See How They Run." No question about the title of this smash London hit. So swift the action was, so involved the situations were, the rib-tickling plot left the audiences exhausted from laughter. Galloping in and out of the four doors of the English vicarage was an American actor and actress, a cockney maid who had seen too many American movies, an old maid who "touched alcohol for the first time in her life," four men in clergyman suits presented the problem of which was which, for disguised as one was an escaped prisoner, and a sedate Bishop aghast at all of these things that went and the trump-up stories that were told him. It was a breathless show, fast tempo, and plenty of laughs.

# Girl's Soccer Places

Our Girls Soccer team took second place in our four team league composed of Cascade, Snohomish and Mariner, with 6 wins, 5 losses and one tie.

The team was led by captains Kathy Solie and Kathy Lewis and all will be back next year except for graduating seniors Candy Timm and Debbie Walker. Returning starters will be Kelly Crippen, Monica Berrens, Cathy Trask, Joyce Boyd, Kathy Rochon, Debbie Petitcherc, Diana Struble, Patty Dutton, Janean Bakker and Freshman Julia Boyd. Coach Scafe expects a lot of good things from the team veterans next year.

The Everett High Girl's Club Tolo was held on Saturday, November 5, 1977 in the School gym. The theme for this years tolo was "Sports Spectacular" and the band was United Flyte. There were a variety of displays featuring; skiing display, and there was a food table with punch. Many couples came dressed to fit the occasion and prizes were awarded for the best costumes. Due to the hard work of the Girl's Club, the tolo was a success and everybody had a good time.

# Seagulls Welcome Frosh

Alice in Wonderland? Yes, that was the theme of the Student Tea. At the beginning of the year the girls club puts this on for all new freshman. They put on a skit as shown, above. Looks like they had a good time! Brenda Davis opened by introducing the girls. Ann Burton is in the fashion show which Chaffees put on to show the many clothes that are in fashion. The Jazz choirs also had a part in welcoming the new seagulls to school. Seagulls also taught them some of our songs like E-V-E-R-E-T-T. They also held a Herfys raffle. It was quite a welcome.

# Bob Cummins Memorial

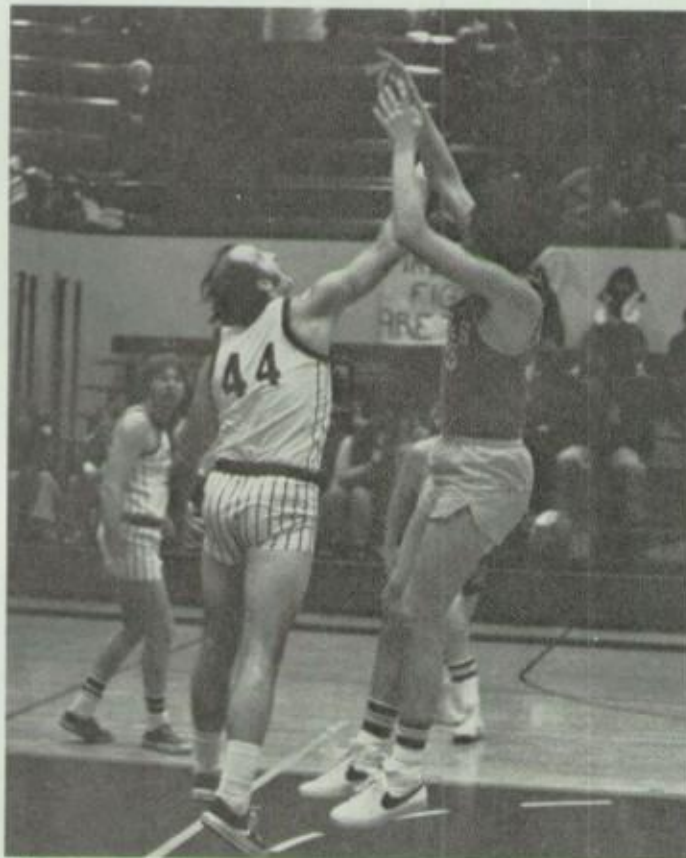

1

This years Cummins Memorial Game was a huge success and a very exciting game. The game raised a lot of money for the Bob Cummins Memorial Award scholarship fund. The firemen donated one hundred dollars to the fund. At the end of the year the scholarship goes to an outstanding senior that hasn't gotten any recognition.

Instead of just having the firemen play against the teachers, the girls varsity basketball team played against the teachers during quarter and halftime. Unfortunately, although it was a close game, the teachers were defeated by both the firemen and the girls basketball team.

1 The Seagulls were not expected to be one of the top contenders in the Western Conference this year. However, with the outstanding leadership and play provided for by senior co-captains Rich Webber and Craig Smith and the steady play of a number of Juniors, the Gulls completed a very successful season, tying Meadowdale for the Eastern division championship, only to lose in a playoff. The team employed a full court pressure defense utilizing its exceptional quickness and offensively, combined the fastbreak with a patient offense, looking for high percentage shots. The Gulls demonstrated unrelenting hustle and a great desire to win, all of which contributed to a very exciting season.

# Junior Varsity Stars Of "78"

## Freshman And Sophomores Training For The Future

The Sophomore team coached by T. Schultz, had an average season with 6 wins, 7 losses, and 1 tie. The team gained much experience and ability in the 13 games they played, one each week.

The leading scorers were Mark Uhl, Bill Collins, Laird Gunn, and Robert Dotson. Mark Uhl, Dan Ockewicz, and Paul Duffy missed most of the season due to injuries, so several freshmen were used to bolster the ranks. (Morgan, Dotson, and Reed)

The freshmen did quite well playing on the Sophomore team and overall the team looked good and showed much potential. We can look to a successful season next year.

# Wrestlers "78"

This years wrestling season will have to be classified as only a fair one for Everett High School. The team wrestled against Seattle schools though, beating all 3 Metro teams they wrestled. But in Wesco the team could only come close, losing by narrow margins to Cascade, Edmonds and Mount Lake Terrace. On the plus side, there were a number of school records set this year, these include; fastest takedown, by Scott McKay in 4.2 seconds, most number of pins in a season, by Alan Mehus with 8 and most number of team pins, with 40 on the year. The wrestling team also had several good efforts in the tournaments, with Kevin Bragger and Steve Jacobson placing 5th in the district. Alan Mehus placed 3rd in district and 5th in the regionals, and Scott McKay placed 4th in district and 3rd in regionals to qualify for the state meet.

# Vespers Spread Christmas Joy

In keeping with tradition, this years 21st Annual Vespers program was held on the Sunday afternoon before Christmas vacation. It featured all of the choirs under the direction of Annette Shoemaker. All four choirs participated in the event with their selections from various musical score. A special number, "Twas the Night Before Christmas," was sung by both choirs to the delight of the audience. The entire choir was decked out in their night gowns, waiting for the arrival of Santa.

# Christmas Fund Drive Aides 100 Families

1

This years Christmas Fund Drive was outstanding. The goal this year was to feed 65 families in the Everett area. But, because of the large quantities of food contributed by the students of Everett High School, the Christmas Fund Drive committee was able to deliver goods to about a total of 100 hundred families.

Special thanks goes to the Boys Club and the Girls Club for their time and effort concerning the delivery of the goods. The members of these clubs said that the families enjoyed receiving the goods with which they had a more pleasant Christmas and New Years Holiday.

This drive showed not only that our students were able to organize and collect food for the needy families but showed that the pride and spirit of Everett High School remains high and serves the community in an annual time of need.

It was held at Immaculate Conception Gym on January 28 from 9:00 p.m.-12:00 p.m. This year it was not just an Everett High tolo, but Cascade and Mariner were also included. The band was United Flyte which played to the theme, which was changed from "Snoball" to "Bare Trees". All in all it was a big success.

Lead by the top six Varsity players this year—Tony Brubaker, Jim German, Steve Jacobson, Jeff Kraemer, Denis Seiminski, and Tom Rochon, the Everett High School Tennis team marked up a record placing them in the sixth top Wesco position. Both coach Pat Barrett and Team captain Jim German agree that it was a fun and competitive year. Barrett is looking forward to another exciting season next year. Included this year was the annual trip to Yakima for the Davis Invitational Tennis tournament that took place in late April. The team retired seven seniors from the roster closing this year with all fine year-long efforts. They included the followong; Tony Brubaker, Jim German, Steve Jacobson, Duane Heck, Jay Peterson, Ken Clark, and Roger Locke. # ''The Year In Soccer 1977-78''

This year the E.H.S. soccer team consisted of 4 seniors and the rest underclassmen, which included two very capable freshmen, Steve Hurst and Breck Marsh. Our record for this year was 3 wins, 10 losses, and 2 ties. Coach Dennis Scafe attributed the poor record to a lack of luck. The offensive scoring punch was supported by seniors John Secoy and Scott McKay, and the defense was held together by Skip CROUT at fullback and Russ Ronnback at goalie. One highlight included a 2-0 victory over Meadowdale. Next year's team should have a pretty good season, because the underclassmen will have had one and two years of experience at the varsity level.

Rathburn as Mamita's sister, Alicia; and Steve Lewis as Gaston's Lawyer, Maitre Dufresne. There was a cast of 25, a full orchestra, and a crew of 15. Gigi takes place in Paris, the city of romance, around the turn of the century. The story is narrated by Honore LaChailles, a confirmed bachelor, who is particularly wise in the nature of women, love, and marriage. Gaston is extremely wealthy, handsome, and the object of desire to half the women in Paris. He finds life quite a bore and is happy only when visiting the humble home of Inez Alvarez, Gigi's grandmother, and playing cards with Gigi, who is just a refreshing child to him. Inez (Mamita) has plans for Gigi to become a lady of breeding and for assistance has called upon her sister, Alicia to teach Gigi how to please her courtiers. One evening before Gaston is to attend a party in his honor, he decides instead to stay with Mamita and Gigi for dinner and cards. All three have a bit too much champagne and Gigi wins her bet with Gaston that should he lose the game he will take her to Trouville by the sea. Their holiday proves to be the most exciting Gaston has had in years. Also at Trouville, Mamita meets Honore by chance they recall a romance between them many years ago. Arriving back in Paris, Gaston realizes his love for Gigi and requests her hand in marriage.

# Seagals Keep E.H.S.

The Seagals have been very active this year. They did two drills during football season, including Classical Gas and Zingit. Also during football season they had a Winter Sports Banquet for the varsity football team.

During basketball season, in one of the two routines they did, the Seagals combined with the Cascade Bruinettes for a drill routine called Carousel, which was performed during halftime at the Everett - Cascade game.

Through out the year, the Seagals, with the help of Nadene Watd, their new advisor, had been trying to raise enough money to go to Victoria with the band and to go to statewide competition in Spokane. While trying to raise money, the Seagals were constantly saluting sports. When they salute a team they make locker signs for every member of the team, then they attend the game that they are saluting, and then they make food for the team.

The Seagal Club has proven to be a very active and important group at Everett High.

The Everett High School concert Band was open to anyone desiring to participate. The Band formed part of the nucleus for the Marching Band in the Fall, Pep Band during the Winter, and Parade Band during the Spring. As instrumentation allows, the Concert Band also participated in concert performances presented by the Music Department.

Stage was a special elective designed to offer instrumental musicians an opportunity to explore the areas of Jazz Literature. Membership was limited by a fixed instrumentation which consisted of 5 saxaphones, 5 trumpets, 5 trombones, lead guitar, bass, set, and piano.

The Everett High School Symphonic Wind Ensemble was made up of approximately 50 musicians. Membership was determined for the year by auditioning the band, in combination with the Everett High School Concert Band, functioned as a marching unit during the Fall football season, as Pep Band during the Basketball Season, and as a Parade Band in the Spring. The Ensemble also had responsibility for preparing and presenting its own Concert Schedule during the year.

The Everett High School String Ensemble was in its third year with 12 violins, 2 violas, 2 cellos, 2 bass viols, and piano. It performed at various functions throughout the community and school and it was the nucleus of the orchestra chosen for our annual Spring Operetta. Next year these strings will be joined by wind and percussion instrumentalists to form the first full orchestra which Everett High has had in many years.

## Lettermen

The Everett High lettermans club under Mr. Bailey and the club office has been a very active and service orientated organization this year. Officers for the 1977-78 school year were Steve Mason, Chuck Nelson, Scott Mckay. Early in the fall the letterman constructed and donated a victory bell, painted in seagull colors to be used at the football games. The letterman also took a group of boys from the Luther Child Center to the U of W football game in Seattle. The winter found the letterman sponsoring a successful dance, bumper sticker sale and the not soon to be forgotten first "Donkey Basketball" game. The letterman were narrowly defeated in a very exciting game by a faculty all star team. A tug of war between middle schools was a half time treat, with Port Gardner winning the team championship. This spring the letterman took a trip to the Seattle Sonic game, painted waste receptacles for the halls and grounds of EHS. Sponsoring a dunking booth and cake walk at the campus day is a money raising project to allow the letterman to keep doing great things at Everett High School.

These girls offered many services and a friendly smile to the patients and received many thanks and personal satisfaction from a job well done.

The Volunteen Program is mainly for Freshmen and Sophomores although older girls may join. By volunteering the girls had an opportunity to learn firsthand how a hospital environment functions and what a career in medicine would be like.

# B.S.U. Family Of Strength And Joy

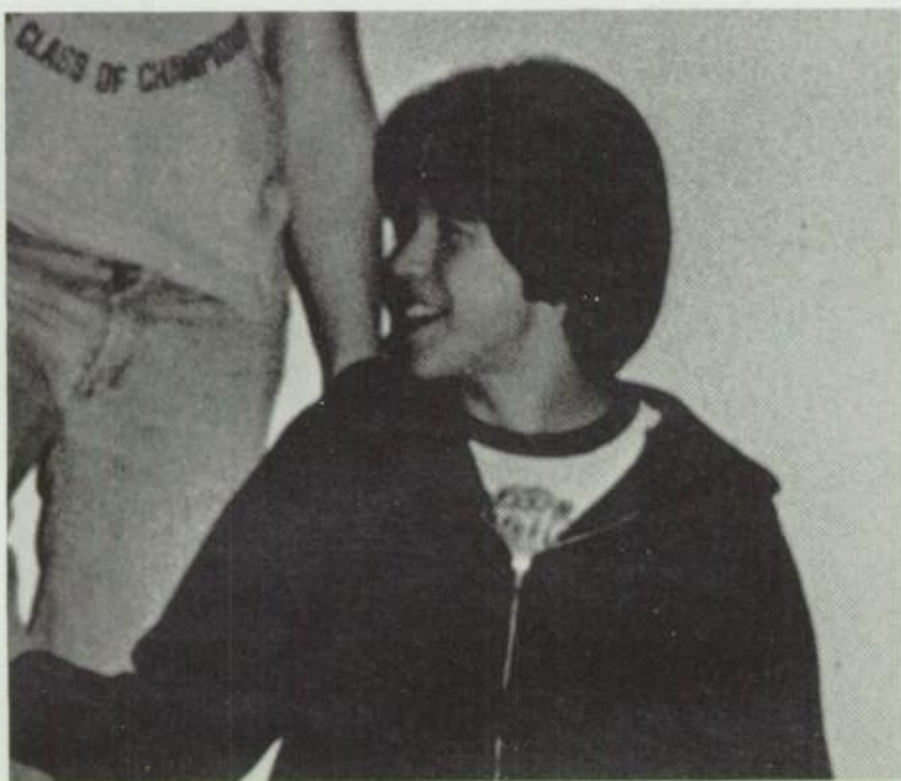

B.S.U. students try to have a better awareness of the history of black people and other minorities. B.S.U. also tries to make note of black historical events during black history week. B.S.U. also tries to install self pride and self confidents and strengthen human relationship throughout the school and community. Black students try to make us aware of what has happened in the past years and also they have a cool group as named:

Brenda Andrews,  
Julie Boyd,  
Linda Eaves,  
Cassandra Milton,  
Joyce Watkins,  
Cord Boyd,  
Berdine Lee,  
Debbie Walker,  
Joyce Boyd,  
Cindy Melton,  
Michelle Slaughter,  
Mr. Solomon.

We meet during the week, and this as stated above is what we do as a group and as a whole. We have good family relationship. We are friends and people.

# You Light Up My Life

During this past year the stage crew set up equipment for assemblies and other school functions. Microphones, speakers, lights ect. were just some of the items that they worked with. We owe them many thanks for their many hours of time and energy which they so thoughtfully put in for the staff and students. The Stage Crew consists of: Curtis Jasper, Ken Nadeu, Rex Christensen, Theron Parker, Bert Marshall and Brian Weir.

This years Nesika Staff was different. We wanted to change many things that have been used over and over again. Things like picture organization and utilizing as much white space on pages as possible. So the two yearbook editors, Tony Brubaker and Mary Sicktich teamed up and, along with a highly devoted staff, planned and produced what we think to be the best Nesika yet. Much of the credit goes to Roger Anthony, our advisor, for teaching us all the guide lines and secrets needed to build a yearbook. We all got along pretty well and we'll always remember the fun and enjoyment we shared together throughout the year of "78".

# Who's who in the woods.

We'd like you to meet four of the best tree people in Washington.

In and out of the forest.

Jim Lyons has two big responsibilities in the woods. Layout, rigging and operation of over \$400,000 worth of logging equipment. And the safety and training of his crew.

Dale St. Luis is a master judge of logs. He can quickly determine the type and quality of every log that comes into the mill and the best way to cut it to get the most lumber.

Judy Zwiefelhofer is a plywood specialist. She knows the best way to build a panel, layer by layer, and how to finish the faces to guarantee strength and quality.

Jim Stump turns wood chips into fiber with large discs that rotate at 565 mph just thousandths of an inch apart. With his help, we're able to convert 95% of this fiber into high quality pulp.

Now when it comes to actually growing the trees for lumber, plywood and pulp, we all know who gets the credit.

But Mother Nature doesn't really care about society's demand for more and more wood products.

So, we give her all the help we can.
